

Stitcher's Hideaway 2022 Winter Escape Fun Report

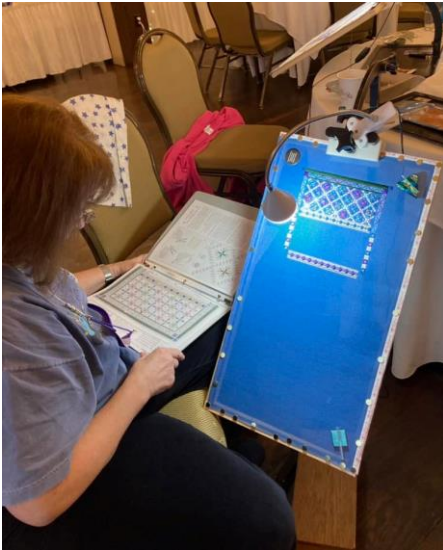

Yay! After a pandemic pause, the Winter Escape Retreat was finally able to be held again! The Publick House in Sturbridge, MA was a great place to get together for our choice of 2-5 days and nights of stitching fun! How wonderful to see each other again!!

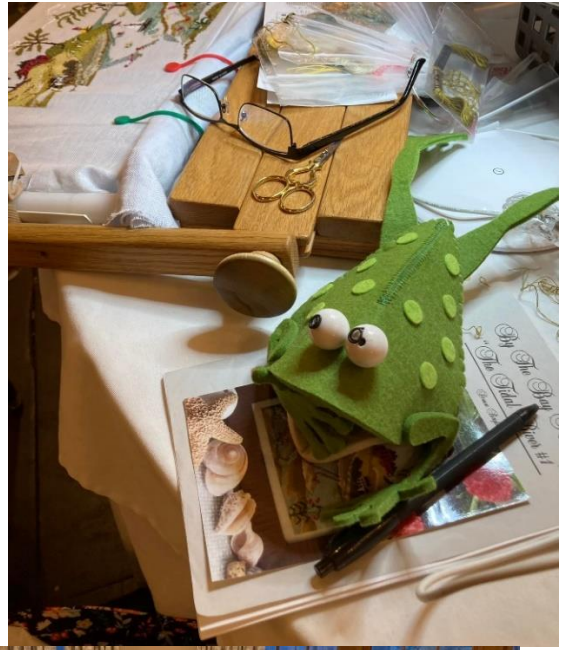

As soon as we claimed a seat, we began going through our Fun Packs and shopping! We discovered goodies from [Elizabeth's Designs](#), [Kreinik](#), [Morning Glory Needleworks](#), [Rosewood Manor](#), [Stitchers Hideaway](#), [Tempting Tangles](#), [Victoria Sampler](#) and [Weeks Dye Works](#)! Randi Nelson from [The World in Stitches](#) and Stitcher's Hideaway each set up shop and it was GLORIOUS to be shopping in person once again!

We sure enjoyed being together and working on all our needlework projects!

We also had a great time of Show 'n Tell! The variety! The talent! The stories!!

Until next time!
